December 2014

From the Editor

The 2014 Club Picnic was a great success. Thanks to all the club members that pitched in to make it possible. The BBQ and pot luck dishes, good weather, and flying made it an enjoyable Sunday at the field. Doesn't get much better than that!

Be sure to be at the field at 2:00 Sunday, December 14th as club elections are taking place this month. We will also be discussing plans for the 2015 happenings at SCRC. We need to get the dates set for our fly-ins next year so we can get the AMA sanctions in. Also want to see if we want to add some more events to help with club revenue. Hopefully we can have a Helicopter event in 2015. They have always been successful in the past and with the popularity of the multi-rotors growing, it should be well attended.

The best revenue generator is membership. That is increased by having a popular and active club. Putting on these events and attending the other clubs events is important to keep the SCRC name out there. Having an

OPEN HOUSE or FREE FLYING LESSON day sign out by the road once or twice a month will bring in potential members off the street. It costs nothing but a smile and a little time with the visitors. Have a happy holiday season!

Club Meeting Notes

Minutes of last meeting Nov 9th 2014 accepted as read

13 members present

Treasurer's Report: BB \$6706.52, CD \$4020.00. Accepted as read.

Old Business: Field had good rain in October- November and is back to green. Discussed the idea of removing the south fence to lengthen runway or safety barrier. More discussion is needed before this decision is made.

New Business: Finnis Hopson is nominated as President to the club for 2015. No other nominations at this point. Last month we talked about ways of generating revenue for the club since funds were short. An idea was to allow members to store their trailers or other things at the field for a monthly fee. Proposed a 10 x 30 space for \$25-\$30 a month. Being as far back from the main road and behind a locked gate, security should not be much of a concern. Get with John Blackmon if interested.

Model of Month: Dale Dickey won with a .50 size H9 Corsair

Crash of Month: Allen Quait lost his Great Planes Ultra Sport due to an unknown cause.

Please send any pictures of your latest projects, finished or unfinished, to me at pgpcurry@sbcglobal.net. Tell us about your experience and planning for it. Any pictures taken at the field at any time are welcome in the newsletter. See you at the field! Paul
