March 2016

From the Editor

Hope you have completed your off season maintenance of your planes and also finishing off your new building projects. The 2016 Fly-in season is beginning now!

- Alvin RC is having their Big Bird event on March 12th.
- SCRC is kicking off their 2016 season with a Spring Warbird event on March 19th.
- Swap meets and fly-ins at Dayton and Rosenberg TX on March 26.
- Jet and Big Bird meets at Monaville and Newark on March 31st- April 3rd.
- Not to forget the Cubs and Cousins Fly-in at Lester Field in Austin TX.

This is just the beginning. That is what's great about living in Texas. It is so big, too many fly-ins, not enough time! See you at the field! Paul

Club Meeting Notes

Last meeting Feb 14th at 2:00 pm

14 members present and one guest

Treasurer's Report: BB \$3875.00. Accepted as read.

Old Business: April 16 workday may conflict with West Houston Airport Open House. Many SCRC members show their planes at this event. Will discuss rescheduling workday at the March club meeting.

New Business: Discussed preparations for the Spring SCRC Warbird Fly-in set for March 19th.

Model of Month: Finnis Hopson won with his ¼ scale Hangar 9 Piper Cub. Powered by DLE 35. He said it flies like a Piper Cub. Looks nice Finnis!

Crash of the Month: Glen Watson lost a control surface on his newest competition Pattern plane while practicing. The plane was damaged beyond analysis of failure. Sorry Glen, bad luck will get the best of us.

Please send any pictures of your latest projects, finished or unfinished, to me at pgpcurry@sbcglobal.net. Tell us about your experience and planning for it. Any pictures taken at the field at any time are welcome in the newsletter. See you at the field! Paul

***Please be sure to pick up your trash
