November 2015

From the Editor

Hard to believe it is November already. It has been a busy and somewhat frustrating year as far as the local fly-ins go. Many fly-ins were rescheduled because of rain earlier in the year and it caused a very busy schedule late in the year.

The recent rains did put a damper on some of the local events including our Warbird event. It went as scheduled but we had a less than idea turnout. Thanks to some loyal pilots from other fields around the state, it was not a total loss. The importance of attending other club's events pays off in the long run and is really appreciated when Mother Nature does not fully cooperate for you. Hats off to all that attended and made it happen. Thanks for all the SCRC members that helped out.

Let's hope for better weather next year as we will get our usual fly-in date back! Paul

Club Meeting Notes

15 members present

Minutes accepted as read.

Treasurer's Report: BB \$6,768
Accepted as read.

Old Business: Discussed preparations for the upcoming SCRC Warbird event.

New Business: Date has been set for the 2015 SCRC Annual Picnic. It will happen November 15th around noon. Final plans will be said at the November 8th meeting.

Model of Month: Allen Quiat had his VQ Models SBD Dauntless dive bomber. Powered with a Saito 82 four stroke and has E flite electric retracts. Uses a Futaba 7 channel radio and has functional dive brakes on the 7th channel. It has been flown 3 times and flies well. Nice job Allen!

Crash of Month: John Blackmon lost his Four Star 60 when his 72 mhz. radio went into apparent fail safe mode. Bummer John.

Please send any pictures of your latest projects, finished or unfinished, to me at pgpjcurry@sbcglobal.net. Tell us about your experience and planning for it. Any pictures taken at the field at any time are welcome in the newsletter. See you at the field! Paul

***Please be sure to pick up your trash
from the field and take it home.
Please leave no trash at the field!***

**November Club Meeting –
Sunday, Nov. 8 at 2 p.m. at the field**
